

Center for Tech Diplomacy at Purdue  
Inaugural Event:

# **DipChip: Diplomacy and the Semiconductors Supply Chain**

**Featuring Keynote by Pat Gelsinger, Intel CEO**

**September 22, 2021, 12-6pm ET**

Save the date for CTDP's DipChip: Diplomacy and the Semiconductors Supply Chain event, featuring roundtables with technology leaders from major semiconductor companies across the world and leaders from the U.S. government and Congress.

This will be a hybrid event, with in-person audiences in Washington, D.C. and Silicon Valley, as well as online participation.

Additional event and RSVP details to follow.
